

India partially lifted export ban of wheat to Nepal

Government of India, Ministry of Commerce and Industry Department of Commerce has published notification regarding exemption for export of wheat to Nepal through notification no. 29/2009-2014 of dated 9th February, 2010. The notification has stated that export of wheat shall not be applicable to export of 50,000 MT of wheat to Nepal through Food Corporation of India. Central Government of India has prohibited export of wheat through Notification No. 33(RE-2007)/2004-2009. The export could be at economic cost and should be out of Central Pool Stock.
